1 The original file relating to the above subject is put up

2 It may be seen from that file, that on the original proposal the C.E. for R & B had noted that the estimate (for Rs 27,000/-) was too costly & for the present only surface painting may be done after filling the pot holes ruts and pits and that the estimate may be got suitably modified for this work only. Orders were sent accordingly to the Presd. K.G.F. Sany Bd on W.L. No L 7757 dated 31.1.46.

3 The Presd K.G.F. has written again for reconsideration of the above orders. He states that it is an important road with a heavy traffic and that it connects two other main Rds which are tarred. ~~It~~ As it is not tarred till now it is not possible to

do surface painting after filling up pot-holes. 6143/L

The Secretary to the Government of His Highness the
Maharaja of Mysore, Revenue Department, Bangalore.

Sir,

Estimate for Rs. 27,000/- improving and tarring the Sanitary Board's portion of the Gifford Road(metalled Road)

- - -

3196

Adverting to correspondence ending with your letter No.L.7757/L.B. 23-45-14 of the 31st Ultimo on the above subject, I have the honour to state that this is a very important main road which links the two other main roads Viz.,Krishnaraja Road and Balghat-Marikuppam road, both of which have been tarred. Traffic on the Gifford road is very heavy all the year round with the result that it gets out of order every now and then. This is a road which has not been tarred hitherto and it is therefore not possible to do surface painting after filling up pot holes. Tarring of this important road is a long-felt want; and in view of its importance provision has been made in the estimate for premixing. As this work is of utmost necessity I request that sanction may be kindly accorded to the estimate after scrutiny by the Chief Engineer for Roads and Buildings. The investment of this sum over the road now would obviate the need for effecting frequent repairs in the near future. I therefore request that orders may kindly passed early sanctioning the estimate.

The enclosures received with your letter are herewith sent for reference and kind return.

I have the honour to be,
Sir,
Your most obedient servant

FOR PRESIDENT.

Government Order No.L.9276-82/L.B.33-44-19 dated 16th March 1946 sanctioning the programme of improvement works to be taken up in two stages in the Kolar Gold Fields Sanitary Board area.

2. Correspondence ending with letter No.M.E.C.203/45 dated 27th February 1946 from the President, Kolar Gold Fields Sanitary Board, forwarding for sanction an estimate for Rs.27,000/- for improving and tarring the Sanitary Boards portion of the Gifford Road and adding that it is a very important main road which links the two other main roads viz., Krishnaraja Road and Balghat-Marikuppam Road both of which have been tarred, that there is a very heavy traffic all the year -- round on the said road and that it is not possible to do surface painting only etc.

3. Un-official Note No.326 dated 11th April 1946 from the Chief Engineer for Roads and Buildings on the subject.

Order No. L 11447-9/LB. 23-45-20

Dated, Bangalore, 24th April 1946.

In the circumstances explained by the President, Kolar Gold Fields Sanitary Board, the estimate for Rs.25,000/- as scrutinised by the Chief Engineer for Roads and Buildings is sanctioned for the above work.

The expenditure on this work will be met out of the provision of Rs.50000/- made in the second stage of the works of improvement referred to in the Government Order read above, under "Improvements to Roads and laying out roads in interior parts."
